Introduction

A native of Saskatoon, Brian Gable attended Walter Murray Collegiate and the University of Saskatchewan from which he graduated with an advanced degree in fine arts in 1971. During his undergraduate years, he drew cartoons for the student newspaper, The Sheaf. After obtaining an education degree from the University of Toronto, he taught high school in Brockville, Ontario, for several years. In 1976 Gable returned to drawing cartoons and began to submit cartoons to the editor of the weekly, Brockville Recorder and Times. After sending a sample of his work to a number of Canadian newspapers, he was hired by the Regina Leader-Post in 1980. Having worked for the daily for seven years, Gable moved to Toronto in 1987 after being offered a position with The Globe and Mail. His editorial cartoons appear irregularly in major newspapers across Ontario, Manitoba, Alberta, British Columbia, as well as Saskatchewan. During 1986 a Regina art gallery offered a one-man show of his cartoons and he is currently negotiating with a publisher.

AN INVENTORY
OF THE EDITORIAL CARTOONS OF
BRIAN GABLE

Saskatchewan Archives Board, Regina
1990

Introduction

A native of Saskatoon, Brian Gable attended Walter Murray Collegiate and the University of Saskatchewan from which he graduated with an advanced degree in fine arts in 1971. During his undergraduate years, he drew cartoons for the student newspaper, The Sheaf. After obtaining an education degree from the University of Toronto, he taught high school in Brockville, Ontario, for several years. In 1976 Gable returned to drawing cartoons and began to submit cartoons to the editor of the weekly, Brockville Recorder and Times. After sending a sample of his work to a number of Canadian newspapers, he was hired by the Regina Leader-Post in 1980. Having worked for the daily for seven years, Gable moved to Toronto in 1987 after being offered a position with The Globe and Mail. His editorial cartoons appear irregularly in major newspapers across Ontario, Manitoba, Alberta, British Columbia, as well as Saskatchewan. During 1986 a Regina art gallery offered a one-man show of his cartoons and he was awarded the 1986 National Newspaper Award for Editorial Cartooning, the only national award of its kind. Mr. Gable has had a selection of his work published in Gable: The Editorial Cartoons of Brian Gable (Western Producer Prairie Books, 1987.)

The 55 original works included in this acquisition were for the most part created from 1980 to 1986, although a selection from the Brockville Recorder and Times are included. They represent international, national, provincial and local subject matter and have been selected as the best of Gable's work during those years. The Brian Gable Collection is protected by copyright. All commercial and/or publication rights are reserved for the Donor and his heirs. Anyone wishing to copy or duplicate these

editorial cartoons for the purposes of private study or research must sign a statement affirming that the copy will be used for only private study and research and is not for display or publication. An agreement was signed between Mr. Gable and the Saskatchewan Archives in 1986 and this particular acquisition has been accessioned as R89-445.
